(1990?)

What does the $5,000 actually buy? What is our plan?
What are the physical products of the $5000?

Narrative

ERLP p. 1. Free-lance science? What is it?
Is it objective #1?

Play up the reviews aspect. It's a library w/ excellent reviews to make the books/mags much more useful. Other libraries don't have that.

→ What % of effort to each of steps 1-9, pp. 3+4.
